Express Card > 2x USB 3.0

Description

This adapter complies with the express card 34 standard. It expands your notebook by two USB 3.0 ports so that you can connect USB 3.0 devices like printer, scanner, MP3 player, card reader, external enclosure etc. to the adapter. Since the USB-A interface is compatible to its forerunners USB 2.0 and USB 1.1, you can still use of your existing USB devices.

Ref. 61753
EAN 4043619617531
